REPORT OF REQUEST FOR RESTRICTIVE TRADE PRACTICE OR BOYCOTT
MULTIPLE TRANSACTIONS (Sheet No. 1)

(For reporting requests described in 769 of the Export Administration Regulations)

NOTICE OF RIGHT TO PROTECT CERTAIN INFORMATION FROM DISCLOSURE.

The Export Administration Act permits you to protect from public disclosure information regarding the quantity, description, and value of the commodities or technical data supplied in Item 9 of this report and in any accompanying documents. **If you do not claim this protection, all of the information in your report and in accompanying documents will be made available for public inspection and copying.** You can obtain this protection by certifying, in Item 5 of the report, that disclosure of the information regarding the quantity, description and value of the commodities or technical data referred to above would place a United States company or individual involved in the report at a competitive disadvantage. If you make such a certification in Item 5, you may remove information regarding the quantity, description, and value of the commodities or technical data supplied by you from Item 9 of the public inspection copy of the report form and from the public inspection copies of the accompanying documents. The withholding of this information will be honored by the Department unless the Secretary determines that disclosure of the information would not place a United States company or individual at a competitive disadvantage or that it would be contrary to the national interest to withhold the information.

This report is required by law (50 U.S.C. App. §2403-1a(b); P.L. 95-52; E.O. 12002; 15 CFR Part 769). Failure to report can result both in criminal penalties, including fines or imprisonment, and administrative sanctions.

This form may be used to report on behalf of another United States person if all transactions apply to the person identified in Item 2, but may not be considered as a dual report on behalf of both persons identified in Item 1a and Item 2. 3. Limit each report to 75 transactions or less. 4. Attach as many continuation sheets as needed. Enter sheet number and name of reporting firm on each continuation sheet (starting with Sheet No 2). 5. List each transaction across the continuation sheet, completing all items that apply. Use as many lines as necessary but separate transactions with a blank space or line. 6. Assemble original report form and accompanying documents as a unit, and submit intact and unaltered. 7. Assemble and submit the duplicate copy of report form (marked Duplicate (Public Inspection Copy)) and additional copies of accompanying documents (marked with the legend "Public Inspection Copy.") 4. If you certify, in Item 5, that the disclosure of the information specified there would cause competitive disadvantage, edit the "Public Inspection Copy" of the documents submitted to exclude the specified information and remove the right hand portion of the Duplicate (Public Inspection Copy) of the continuation sheet(s) relating to Column 9. **MULTIPLE TRANSACTIONS:** Public reporting for this collection of information is estimated to average one hour per reported request, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden to Office of Security and Management Support, Bureau of Export Administration, U.S. Department of Commerce, Washington, D.C. 20230; and to the Office of Management and Budget, Paperwork Reduction Project (0694-0012), Washington, D.C. 20503.
